SERVICE PROJECTS

- ▶ Senior Citizens Bingo is scheduled for Thursday, April 5th at Sammons Senior Fellowship Center from 5:00 – 6:00 p.m.
- ▶ In April, the Club would like to collect items for a “Families in Crisis” shelter being opened here. See attached list for items needed.

One Way, One Day, One K—Saturday, April 7th

KI is asking all 600,000 plus members of the K-family to come together on that one day for 1-3 hours of service. What can we do? We could spend that day gathering items for the women’s shelter. Other ideas? Not much lead time, but surely we can find some way to participate in this activity.

FUNDRAISING

IT'S ON AGAIN! Put June 2nd on your calendar.

Planning meeting scheduled for Thursday, April 5th
10:00 a.m., downtown at the Business Incubator.

Even though the Club decided that we would pass on the bicycle tour this year, there seemed to be a lot of interest in the community. Rather than risk losing this fundraising event to someone else, we changed our mind, and changed the date, and we're making plans for the ride.

BOARD ACTION

January and February Approved Donations

TC Scholarship Endowment	\$1,547.50
Bell County Youth Fair (apples)	195.00
Camp Fire USA Tejas Council	250.00

Doug will need to step down as President by June. Penny volunteered to finish his term and to serve as President next year. After the celebration quieted down, the Board approved a motion to add Chamber of Commerce dues to our budget and to donate \$250 to Families in Crisis for their shelter.

COMMITTEES

We need volunteers to serve on the Youth Services Committee for the rest of this year. There are several important school and education-related tasks we have pending.

Tasks include coordinating the following selections:
Temple College Scholarship Recipient
UMHB Scholarship Recipient
Outstanding Middle School Students

... :: LAST MEETING :: ...

If you missed our Club meeting on March 27th, you missed a treat. Our own Lou Graham has been working with the Cultural Activities Center to create an art exhibit for the visually impaired.

We held our regular meeting at the CAC and had the unique experience of touring Lou's "[Insight To No Sight](#)", a fascinating exhibition that left us totally in the dark. Ask us about what we didn't see!
