Leadership Temple Project Presentation

If you missed last week's meeting, you missed one of the most inspiring presentations we have had this year. Members of the Community Development Team of 2007 told us about their project to develop a Family Abuse Shelter.

The team began discussing the idea of a shelter in September, and will move into their completely renovated facility on June 30th. They thanked our Club for our donation, and our ongoing drive to collect needed supplies and furnishings. A list of things the shelter needs is attached to your email.

"Kiwanis stands on the doorstep of greatness. Kiwanians can achieve anything we set our minds to do. To achieve true greatness, all we need are great leadership, great attitudes, great dreams, great plans, a willingness to take great risks, a willingness to embrace great changes, and a passion for Kiwanis and its mission". *Presidents Seimen and Storey, KI and KIF*
