### LAST WEEK

At our Club meeting on May 7<sup>th</sup>, we were enlightened and entertained by Dr. Don Wesson, the Vice Dean of the Texas A&M Health Science Center College of Medicine and the Chief Academic Officer at Scott & White Hospital.

Dr. Wesson talked about the history of medicine and medical education, and A&M's plans for a four-year medical school in Temple. He also discussed the politics of medical school location and the challenges facing the Temple expansion. It was very interesting.
